

LOAN ADVANCE REQUEST PROCEDURE AND FORM

Dear Carolina Small Business Development Fund Accountholder,

Before you request a Loan Advance, please note the following:

- You should make your request **3-5 business days** in advance of when you would like us to process your Loan Advance to ensure pre-processing and verification processes can be completed.
- **Your Loan Advance request will not be processed if your loan is in default.**
- There is a **fee of \$15.00** for each Loan Advance request. This fee will be deducted from the amount you are requesting and covers the wire fees.
- All Loan Advance requests should be in accordance with the terms and conditions outlined in your Loan Agreement. When applicable, all requirements (submission of invoices, proper signatures, etc.) must be met before the Loan Advance will be processed. The request will be sent back to you for revision when all requirements have not been met.

To request a Loan Advance, please follow the steps below:
